Dedication

Mrs. Lois Stevenson

Mrs. Stevenson retired in 1982 after a very successful teaching career of 44 years. She taught 40 years in the Antwerp Local School System.

She is respected and admired by her co-workers. She is also affectionately and gratefully remembered by many students.

The New Generation

1984 was the year of the 100th graduating class, 1985 marks the beginning of a new generation. Some highlights of the year for this new generation were seen in the areas of sports, entertainment, school policies, and fads.

For the first time since 1975, Antwerp had a cross-country team. There weren't enough players for a varsity football team, but the Archers had a very competitive junior varsity team. The Archer golfers placed fourth in the GMC. The girls' varsity volleyball team won the sectional title and received the district runner-up trophy. The girls' varsity basketball team took second place in the GMC. Mr. Stoll coached the district all-star team and was named Journal Gazette area coach of the year. Chad Harmann was also named to both teams. Cindy Leinard was the second girl in the history of Antwerp High School to score 1,000 points in basketball. Five boys' track records were either tied or broken. One new school record was set in girls' track. The boys' varsity baseball team saw some exciting tournament action. Both the cheerleaders and weight-lifters won trophies which they presented to the school.

In the area of entertainment, some of the favorite artists of Antwerp students included Cindy Lauper, Madonna, Huey Lewis, John Fogerty, Dan Hendley and Tina Turner. Another musical favorite, "We are the World" was produced by U.S.A. for Africa.

The swing choir presented a madrigal Christmas concert instead of a play. The high school musical was "Annie Get Your Gun."

Popular movies included "The Breakfast Club," "Beverly Hills Cop," and "Purple Rain." Archer students enjoyed watching such tv programs as "The Bill Cosby Show," "Family Ties," "Saturday Night Live," and "Mash" reruns.

Newly hired faces on the teaching staff were Miss Schulz, Mr. Balser, and Mrs. Shugars. Mrs. Shugars and Mr. Luginbill did their student teaching in the elementary school this year.

Dr. Charles Taylor, Superintendent of Antwerp Local School, resigned mid-way through the year to accept the superintendency in Kenton, Ohio. Mr. R. J. Buckert was hired as the new superintendent.

Two foreign exchange students attended Antwerp High School. Udo Reiger, a junior from Germany, stayed at the home of Larry Elliott. Kiki delValle, a senior from Spain was hosted by the Jerry Walk family.

Antwerp students had a closed lunch period this year and were not permitted to go downtown. Due to new state policy, seniors had to attend school until the end of the year. They finished two days before the rest of the students instead of two weeks early as they had in the past.

Top senior academic honors went to Barb Goetz, valedictorian, Kim Scott and Marcia Koenn, co-salutatorians.

The senior class trip was almost taken away because of a senior skip day, but it was restored after 13 seniors attended a school

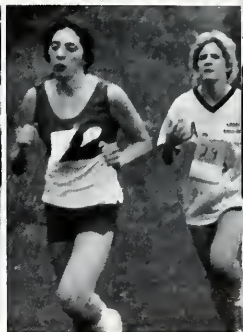

board meeting to discuss the issue. The compromise made was that the trip was approved, but any senior not attending school on the Friday after the trip would have to attend school two extra days, June 3rd and 4th to receive his diploma. Students camped out on the front lawn after returning in order to be present and on time the next day.

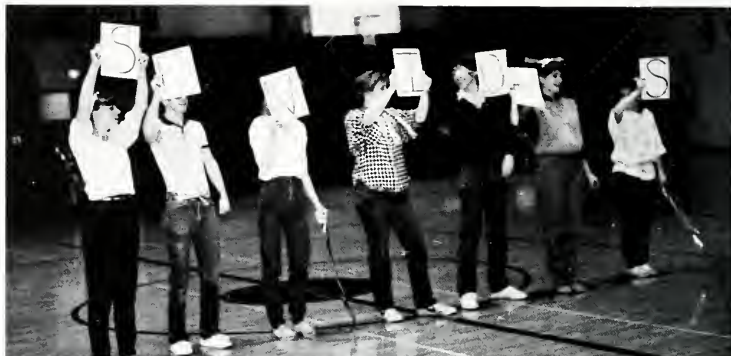

In April and May, the popular thing to do after lunch was to sit on the steps in front of the new gym listening to "ghetto blasters" and soaking in the sun.

Student parking was not allowed in front of the school. Franklin Street was made a one-way street and the buses were loaded and unloaded in front of the school instead of behind.

Favorite teenage hangouts this year were the Sohio, the bowling alley, the A & W, Glenbrook Mall, and the Route on teen night. Students seen at these "in" spots were wearing fluorescent shirts, crop pants, plastic shoes called "jellies" or flats, big earrings, beads, Hawaiian shirts, parachute pants, velcro or high top tennis shoes.

This has been an interesting year. It is truly the beginning of a new generation.

In Memoriam Dennis Kunesh

May 7, 1966-November 7, 1981

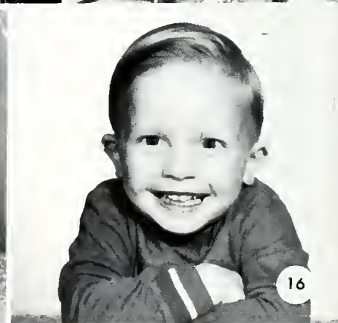

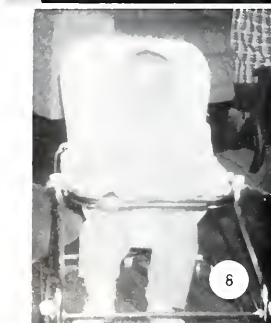

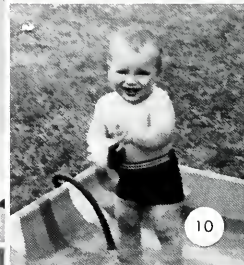

"I'll lend you for a little time a child of Mine," He said; "For you to love the while he lives, and mourn for when he's dead. It may be six or seven years or twenty-two or three, But will you, till I call him back, take care of him for Me? He'll bring his charms to gladden you, and should his stay be brief, You'll have his lovely memories as solace for your grief, I cannot promise he will stay, since all from earth return, But there are lessons taught down there I want this child to learn. I've looked this wide world over in my search for teachers true, And from the throngs that crowd life's lanes, I have selected you. Now will you give him all your love, nor think the labor vain, Nor hate Me when I come to call to take him back again?" I fancied that I heard them say, "Dear Lord, Thy will be done, For all the joy Thy child shall bring, the risk of grief we'll run. We'll love him while we may, And for the happiness we've known, forever grateful stay, But should the angels call for him much sooner than we've planned, We'll brave the bitter grief that comes and try to understand."

God's Flower Garden
Sometimes we can't quite understand
Our Great Creator's way.
When He takes a life so young
And leaves one withered, old and gray.
Whose life's work seems finished,
And perhaps is waiting for the call.
While that life so young and tender
Held so much here for us all.

Then sometimes I get to thinking,
Perhaps this world down here below,
Is just a flower garden,
Where God's flowers live and grow.
And perhaps when God is lonely,
Like us He likes to roam
In His garden gathering flowers
Just to beautify His home.
Though He takes the full bloom flowers,
Drooped and withered that need His care,
Still He needs a bud or blossom,
To scatter with them here and there.
So He takes a few choice blossoms,
Just the rarest He can find,
And that God needs them up in Heaven —
Must comfort loved ones left behind.

Senior Class Goes to Great America

1. Isn't that a pretty carousel?
2. Fun bus ride?
3. Would you believe these girls are the newspaper editors?
4. Nice glasses, Mr. Smith!
5. Why is everyone standing around?
6. Having fun, Barb?
7. What a cute group.
8. Everyone looks happy.

The senior class trip was on Thursday, May 23.

Two chartered buses took about 50 seniors and four chaperones to the Six Flags — Great America Amusement Park near Chicago. Everyone spent a fun-filled day riding roller coasters, getting drenched on water rides, eating, and seeing shows.

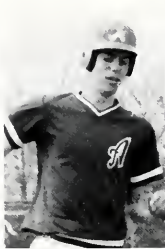

The bus ride home was a long one — one of the buses broke down and everyone had to pile on one bus. But, everyone managed to make it home in time to sleep a little before school the next morning. Some students spent the night camping on the school lawn; they didn't want to be late for first period!

1. Cure, Brad!
2. Hey girls, are all of these guys from Antwerp?
3. "New friend, girls!"
4. Hold on, Barb!
5. Another exciting bus ride.
6. Great place to spend the night, guys!

Hopes and Expectations

My hope for the future is

- ... that I secure a good job and can raise a family.
- ... that I graduate from college and get a real life.
- ... that I stay single, get rich, and stay cool.
- ... that the U.S. and Russia resolve their differences.
- ... that nuclear bombs and missiles are destroyed.
- ... that I survive till the 21st century.
- ... that world hunger is overcome.
- ... that everyone can be his own person and not live his life for someone else.
- ... that the world can live in peace.
- ... that we all see each other again.

Air Band

This was the first year for an AHS air band contest in several years. The seniors sponsored the contest in March and had such a tremendous response that they held a second competition in May. Each band had to pay a small entry fee and lip sync a song of its choice. A panel of faculty judges selected the top three bands and awarded them prize money. In the March Contest, first place went to the Temptations, Ed

Hahn, Todd Harmann, Chad Sheherk, and Eric Walk, who performed "My Girl." The Metal Maidens, Pam Edwards, Cindy Klima, Shelly Kunesh, Stacy Rhinehart, and Jan Wisniewski, took second place with their version of "Old Time Rock 'n Roll." Third place went to Kiss, Joe Copsey, Eric Gillespie, Matt Hopkins, and Mike Struck. In the May competition, first place went to Chad Shuherk, who sang "Just a Giggolo"; second place went to the Soul Seekers, Adam Fraley, Mike Knopp, and Keith Keokuk, who sang "Respect"; and third place went to Krocus, Tim Barnhouse, Denny Getrost, Mike Smith, and Kelly Zartman.

ATHLETICS

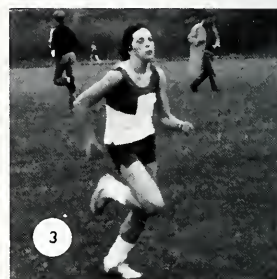

Cross Country

"I felt in the very beginning that we would have a successful season even though this was the first year for a team since 1975. Of all the meets we had, which consisted of 3 to 5 teams, the only one we finished last in was the GMC. Cindy Mansfield had a good showing in the sectional, and was able to compete in the District, which is the last step for qualifying for state. Considering how young we were, the runners should be very proud of what they accomplished this year. Congratulations, men and women!"

"The football team started their weightlifting and running preparation for the 1984 season in June. Though the turnout was small, the team was optimistic. When it was apparent that there wouldn't be enough players for a varsity program, Coach Smith announced that a junior varsity program would be started. Unfortunately, for the seniors, that meant their football games were over; their season ended with frustration and thoughts of games that were never played. The underclassmen had a good season, however, and are looking forward to next season."

This year's varsity volleyball squad consisted of a hard working group of girls. Their season didn't turn out to be what they expected, however, they did manage to win sectionals and improve their record from the previous year.

The seniors would like to thank their coach, Miss Mundt, for all the hard work and support she has given through these last four years.

9. Where's the ball, Ed?
10. Dave Coleman, junior.
11. Koop shows his skills.

"If it had not been for the long, hot hours that this year's varsity put in during the summer, they wouldn't have had the success that every ball player always dreams about.

"Climbing up that ladder at Van Wert to cut and get a piece of the net and receiving plaque at Elida as district runner-up are a few moments that these 12 young men will remember for a long time. Throw in a third place finish in the GMC, along with all the excitement that occurred the week of the Wayne Trace game, and this year's varsity did nothing but create an exciting and enjoyable year."

5. Does it help to stick out your tongue?
6. Come on, guys! This is supposed to be fun!
7. What now?
8. Ready . . . aim . . . fire!

"This basketball season was a time of rebuilding for the Reserve team. Due to the absence of a freshman basketball program in the past, the team was young and inexperienced. Some good things happened and many of the players will be returning next year. With individual effort throughout the summer, the team should be strengthened for next season."

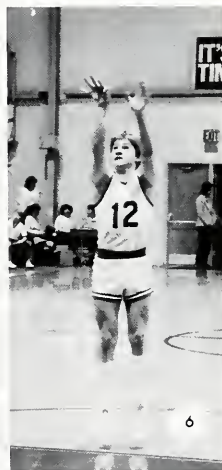

Coach Bader

"Baseball season 1985 was one of learning for the team and myself. As the year progressed, so did our game. We improved as the season went on. The highlight of our season was the sectional tournament. We upset Edon 5-4 and then gave Edgerton a battle before losing 4-3. I'm looking forward to next year. We lose five talented seniors, but will have eleven returning letter winners."

6. Varsity cheerleaders Toni Leinord, Joni Jordan, Anita Shepherd, Bobbie Gerig, Chris Bruick.

"The 1984-1985 cheerleading squads are to be congratulated for their many accomplishments. The girls began preparation for the football and basketball seasons by attending summer camps. The reserve girls went to Cheer Ohio and earned four ribbons. The varsity girls went to an ICF camp and won a plaque for excellence in performance and eight team ribbons. In addition, Chris Bruick and Toni Leinard each won individual ribbons. In August they competed at the Defiance County Fair and won the trophy for second place. Although there was no varsity football program, the girls cheered for the reserve squad. Cheering with them were Randy Gibson and Dennis Cline. One highlight of the year was being a part of the effort which saw the varsity basketball team go to district. It was a good year — they did a great job!"

This year, because there was no varsity football team, the homecoming dance followed the December 1st basketball game with Paulding.

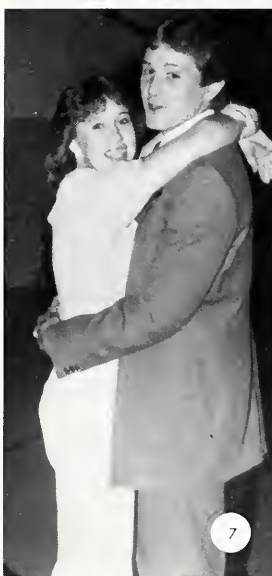

Since there was no homecoming parade, each class decorated its hallways to prepare for the game. The Seniors' hall won first place and \$20. Both the reserve and varsity teams were victorious over the Panthers. Reserve score was 50-36; the varsity score was 70-55.

Following the game, Tim Copsey and Gina Napier were crowned homecoming

king and queen. The dance was held in the cafeteria, and music was provided by A&B Sound. The dance was sponsored by the student council, and the theme was Jack Wagner's song, "All I Need."

1. Are we having fun yet?

Poem to the Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From down to setting sun
But now the path gets steeper
And the climb is just begun
We're very glad to know you
We'll miss you when you've gone
And to the Class of '85
We dedicate our Prom.

National Honor Society

The National Honor Society had a very busy year. Members of the organization voted to amend the language of their constitution in order to admit sophomores into membership. Due to this process, two induction ceremonies were held — one on December 2nd for juniors and seniors; the other was held on April 21st for sophomores. The Honor Society also had a number of new projects this year. The group sponsored a mock election in November, a food collection in December, and a bulletin board display for Student Activities Week in April. The members also recognized the teaching staff on Teacher Day USA, on May 8, by making apple badges and putting cookies in the teacher's lounges. As a money-making project in late March, the organization sold candy-grams which proved to be a very successful and FUN project. The Antwerp National Honor Society closed out its year on May 9 with a trip to Toledo to see the new Portside complex and take a luncheon cruise on the paddle boat, "Arowanna Princess."

Scholastic Bowl

"The Antwerp Scholastic Bowl team began its year in late September with practices every week. In November, Antwerp hosted the Second Antwerp Invitational. The next meet was in January at the Hicksville Scholastic Bowl Tournament followed in February by the GMC Scholastic Tournament which was also held at Hicksville. Fairview hosted a competition this year in March, and the team closed its season traveling to Celina for the Wright State Branch Scholastic Bowl."

Archer Yearbook Staff

The yearbook staff met last summer to start planning the 1985 yearbook. A theme, The New Generation, and a basic layout design were chosen.

In the fall, the staff had a very successful ad campaign. The top selling teams were Tonya Walker with Kim Scott and Missy Brinneman with Amy Bowers. The basic publication cost per book was approximately \$23, but it was sold to students for \$14.

The following staff members have done an excellent job preparing this yearbook for publication: **Editor** — Barb Goetz; **Business Manager** — Donna Buckland; **Photographers** — Kim Humbarger, Amy Bowers, Missy Brinneman, Greg Colwell; **Staff** — Amy Baumle, Dawn Hopkins, Johnnette McCain, Angie Reinhart, Rita Reinhart, Shari Ross, Joanie Savage, Kim Scott, Tonya Walker, Christy Bruick, Tammy Hahn, Bill Waters, Tammy Rasey, Corey Geyer, Christine Marlin, and Tracey Ross; **Advisor** — Mrs. Korhleen Neidhardt.

Eighth Grade Girls' Volleyball

Season Record

"The Antwerp volleyball program will be looking good in the future. The record of 5 wins and 4 losses does not tell how these girls played. They were defeated by Wayne Trace, Fairview, and Edgerton during the regular season, then again by Fairview in tournament. Each of these three schools has always had excellent volleyball programs, but give these 'Antwerp freshmen to be' one or two more years and they will be leading the G.M.C. They were an excellent and cooperative bunch of girls to coach and I wish each one of them the best with their next four years of high school." Cindy Hughes

Sixth Grade

Working Hard!

6A social studies classes have studied the Eastern Hemisphere countries, people, and cultures of the past and how they relate to the present. We enjoyed various books, movies, speakers, and art projects.

Two student teachers, Mrs. Shugars and Mr. Luginbill, have helped us learn new information and skills as they learned themselves. We wish them the best as they begin their own teaching careers.

6B has especially enjoyed the new health series. The chapter entitled Your Body Systems or Work was interesting and informative.

Choosing representatives for the Spelling Bee has created lots of competition among students. Hard work on Math and Reading skills are beginning to pay off for most students.

The activities of 6C were top secret this year and were not available for publication.

Fifth Grade

Fractions, Fractions!

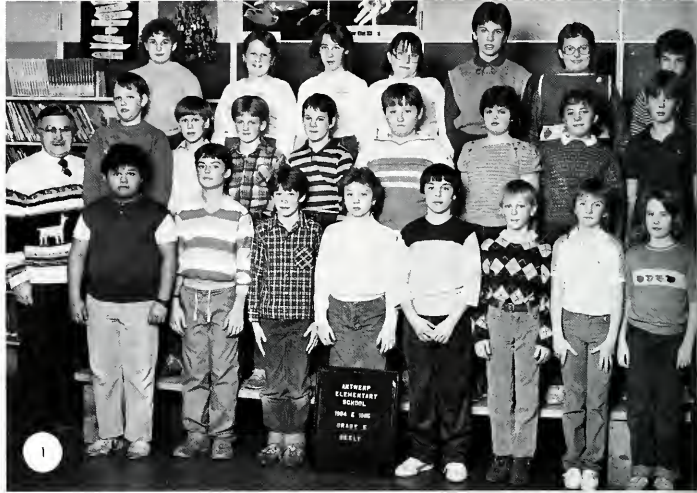

5th Grade

Fifth graders have worked with fractions this year. Eating "fractions" was a special time.

In Social Studies we made "floors" and "traveled" by road maps. We have written junior editorials and have given many oral reports.

Our field trip was to the Youtheater in Ft. Wayne to see Tom Sawyer.

28 of our grade are in first year band and 51 of us are chorus members.

Fourth Grade

Growing and Learning

In English we have learned to give speeches and write stories. In math we have learned how to multiply and divide. We have learned about different kinds of regions around the world. We made bread when we learned about growing wheat on the prairie. We've learned some things about early America. This spring we really learned to appreciate the early settlers when we visited Sauder's Museum and Craft Village. Mr. Allen helped us learn how to draw. In science and health we've learned about the world and bodies. We've read lots of good books this year and learned to do book reports.

Mrs. Musselman's Class

Row 1 — Chad Franklin, Jeremy Miller, Bill Reinhart, Kris Knight, Jeff Klender, Nathan Nixon, Mesha Hess, Don Provon. Row 2 — Eric Jordan, Curtis Lichty, Jason Stribling, Chad Luginbill, Joe Reyes, Cindy Murlin, Beth Moltror, Robin Bennett. Row 3 — Lynette Koch, Karla Lowe, Joel Kammeyer, Rachelle Pierce, Jenny Knuth, Josh Overmeyer. Absent — Julie Culler, Jeff Silliman.

Mrs. Farlee's Class

Row 1 — Michael Shepherd, Jessica Ramsier, Jenny Brandenburg, Brad Grant, Kristy Carpenter, Melissa Bassett, Jodi Edwards. Row 2 — Heather Daeger, Jesse Branham, Amber Curtis, Amy Miller, Jeremy Snyder, John Banks, Jason Miller, Mrs. Farlee. Row 3 — Aaron Grabianowski, Reggie Clem, Kim Mendez, Sara Schutt, Eric Ritch, Cindy Dix, Deb Bright. Absent — Jennifer Kelly. New Student — Heidi Boger.

Third Grade

Busy! Busy! Busy!

Our third grade classes have had a very busy year.

The students have learned to write in cursive and have applied this skill in all their subjects.

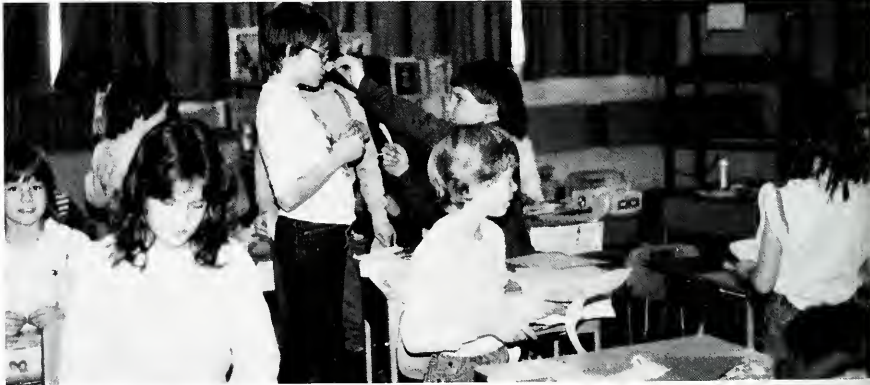

In math they worked on the basics of addition, subtraction, multiplication, and division.

The students studied the stars and completed the unit with a visit to the planetarium in Fort Wayne.

The annual third grade operetta was presented in March. The title was "Play Day in Happy Holland."

Miss Gordon's Class

Row 1 — Shane Owens, Shane Clevinger, Shannon Layron, Mary Ladd, Melissa Burdine, Tomi Bennett, Shane Litzenberg, Amy Pendergrast, Christina Branham.
Row 2 — Miss Gordon, Linda Koch, Jerry Conley, Shawn Hazelswort, Jessco Zuber, Carolyn Bowers, Sarah Luginbill, Liso Parrish, Tanya Kwascigroh, Michael Vaccaro.
Row 3 — Jennifer Hicov, Douglas Boylan, Scott Smith, Candace West, Morcy Minck, Andrew Scott, Jonathon McCreery

Mr. Stallkamp's Class

Row 2 — Kim Frole, Crystal Saylor, Jeremy Addis, Yvonne Van Cleve, Andy Jordon, Mark Snider, Tim Panico, Cory Reeb. Row 3 — Cariso Stewart, Brandy Coon, Jeff Friend, Kari Overmeyer, Rachel West, Amy Eccard, Jennifer Knapp, Matt Detmon.

Second Grade

We're Getting Better!

Second grade was a year filled with excitement and growth. Social studies and science came alive as we visited a dairy farm, picked apples from an orchard, gathered eggs, and examined wool at a sheep farm. We studied pond life as we fished and picnicked at Mrs. Friend's farm.

Mastery of the 100 addition and subtraction facts was a goal for us. We progressed on to renaming and regrouping while using the facts we had learned.

Reading became an important aspect of our academic life. We refined our phonetic skills, increased our sight vocabulary, improved our comprehension skills, and polished fluency and expression in oral reading.

We enjoyed art in many forms by making projects to correlate with the seasons and holidays.

Mrs. Friend's Class

First Grade

Reaching to Understand

We first graders show tremendous growth in many ways. From non-readers, we've become capable readers, excited about stories and learning. We understand a great deal about words and are becoming responsible for our feelings and actions. We share, celebrate birthdays, and often lose teeth. We learn how to handle small addition and subtraction problems, read clocks, and count money. We talk about animals, plants, weather, air, water, family, and school.

Thanksgiving was very special because we helped prepare the food we ate and dressed as Pilgrims and Indians. We were impressed by the size of the Ft. Wayne Civic Theatre where we enjoyed "Alice in Wonderland."

Art projects were mostly about holidays and months. A spring nature walk helped us appreciate the wonders of a woods.

Most importantly, we learned it's okay to make a mistake. We're learning that mistakes are natural. That's why we come to school and help friends!

Mrs. Smith's Class

Kindergarten

A Beginning

Kindergarten is a beginning, a beginning of school experience. Kindergarten helps the transaction from home to school and ultimately to the unfolding of the world beyond. It is a time for growing.

This year in kindergarten we have met the twenty-six letter people. We learned their names and sounds. We enjoyed working with numbers, learning songs and finger plays. We completed many art projects that correlated with holidays and special daily activities.

Each week we went to Mrs. Mobley's music class, Mr. Bader's physical education class and computer lab with Mrs. Noll. Mrs. McGrath visited our rooms for speech improvement once a week.

We ended the year with a field trip to the Fr. Wayne Children's Zoo. Our day included play time and a picnic in the park.

Pioneer Day

Pioneer Day began with a bang as a mortar was fired at the opening flag raising ceremony that renamed our school "Fort Antwerp." Students and staff were dressed in pioneer clothes to begin their journey back in time.

Pioneer food favorites including sausage, muffins, and strawberry preserves were served to the hungry pioneers as they began their journey. Guides, Sue Meyer, and Paige Zuber, were on hand to explain how these delicious delicacies were made and provided a demonstration of the cooking utensils common in a pioneer home.

As the students stepped into the courtyard of Ft. Antwerp, they were met by a French voyager, Tom Connin, and his Ojibway Indian wife, Gina Connin. They were living in a marquis and invited the travelers to come in and visit for a spell.

As the pioneers journeyed a little farther, they encountered a Cheyenne medicine man living in a lean-to. This medicine man, Steve Wynne, explained the training he was receiving from elderly Cheyenne teachers.

Next, along the trail, the pioneers met Rex and Eloise Hopkins who shared their arrowhead collection.

Scattered across the prairie, there were settlers doing demonstrations which were shared with our students in kindergarten through sixth grade. Karen Grabianowski showed the students how to weave baskets. Barb Pemberton explained quilting. Barb Barker churned butter. Steve Jordan demonstrated muzzle loading, and Cheryl Lichty taught the students how to do wheat weaving.

Old Fort Settlers traveled to Ft. Antwerp from Ft. Wayne to share their skills and crafts including: early American folk dolls, pioneer toys and games, candle dipping, weaving, corn husk dolls and dulcimer players.

As the day wore on, the pioneer children, much like children of today, took time out for some fun and games. Andy Panico and Mike Luginbill helped the older boys and girls refine their horse shoe throwing technique. Steve Bader led the young'uns in sack races and relays.

The pioneers then decided to try their hands at a pioneer craft. First grade students made a seed picture and students in other grades made a copper punch picture. Guides Renee West and Cheryl Lichty assisted by numerous parent volunteers, were on hand to teach the new skill.

As nightfall approached, the weary pioneers arrived at their final destination. Marcelene Noll served the guests a glass of sassafras tea and Herry Row shared parched corn. At this final stop, the pioneers had a chance to see Joann Barton make lye soap, Rhonda and Adrian Vaccaro cast lead, hornsmith Ray Beatty showed his leather pouch and horn collection.

Bruce and Margaret Dunbar had a 14 ft. teepee and invited the visiting pioneers to spend a few minutes visiting before undertaking the long journey home. Bruce Dunbar owed the students as he threw a tomahawk at a tree target.

All too soon, the large, yellow Conestoga school buses arrived to take the students back to their modern homes.

You could tell by the smiles and comments that the students had not only had fun, but also had gained a new appreciation for their pioneer forefathers.

Pioneer Day was organized by elementary staff members Patti Kammeyer, Mary Derck, Miriam Luminbill, Sue Meyer and Brian Smith with valuable assistance from parent volunteers, Bruce and Margaret Dunbar.
